ACCOLADES FROM OUR PARTICIPANTS

“This trip to Singapore has exceeded my expectations on the insights gained from this conference, especially the wide coverage and discussion of the country’s developments and models. With this knowledge, it certainly aids in the development of age-care facilities and programs within Taiwan, and also for us to learn from.”

- Ms Lin Yi-Ying, CEO, **Hondao Senior Citizens’ Welfare Foundation**, Taiwan

“I think the recognition that we can come up with different models of services and ways that we can serve people without making it one-size fits all is the greatest opportunity. I feel that I have learn so much, that I can take back and make a difference.”

- Ms Helen Jones, General Manager, **Australian Unity Retirement Living Services**, Australia

“AAIF is a good platform for the professionals or service providers to exchange their knowledge.”

- Mr Ong Chu Poh, Group Executive Chairman, **ECON Healthcare Pte Ltd**, Singapore

“Good choice of presenters, speakers and content. Most speakers are hands on or caregivers, hence the presentations are delivered through their passion and with lots of experiences in this industry.”

- Ms Michelle Lew, Vice President, Economics & Investment, **Iskandar Regional Development Authority**, Malaysia

ABOUT AGEING ASIA PTE LTD

Changing the way we age in Asia Pacific

Ageing Asia is an Ageing Market Consultancy Social Enterprise with the mission to change the way we age in Asia Pacific. We facilitate collaborations and strategic partnerships between CEO-level business, government and community leaders to access Asia Pacific's US\$3 trillion silver industry through a combination of in-depth industry research and networking with key decision makers in the business of ageing. We also provide consulting to organisations seeking global best practices in housing, health and care models that can be translated for the Asian market place.

Our Core Services that enable access into Asia Pacific's US\$3 Trillion Ageing Market:

- Strategic Partnerships
- Market Intelligence
- Industry Training

Held in conjunction with the 6th Ageing Asia Innovation Forum 2015

ABOUT THE APAC ELDERCARE INNOVATION AWARDS

Launched in April 2013, the annual Asia Pacific Eldercare Innovation Awards is an industry innovation driven by Ageing Asia Pte Ltd. The award is the first of its kind in the Asia Pacific region that recognises the best in eldercare product and service delivery. This prestigious industry award takes place annually, in conjunction with the international Ageing Asia Innovation Forum (AAIF) in Singapore.

The awards logo includes a human element that represents the importance of empathy and passion by the people who work hard each day to raise the quality of life for older adults.
